

We invite you, your family & friends to this special event!

HUMILITY

that

“OVERCOMES THE WORLD”

One of the central themes of Christ Jesus’ ministry was to teach and show that the power of God’s love can help us to overcome the various injustices that we face in the world.

In this talk by Mark McCurties, he will share how learning to follow the example of Christ Jesus, particularly his profound display of humility, can empower each one of us to heal and to overcome the hard problems that we face.

Mark McCurties,
Christian Science Practitioner & Member of the
Christian Science Board of Lectureship

Saturday, Dec. 10, 2022 at 2:00pm

36th Church of Christ, Scientist
