

The background of the entire page is a photograph of two women standing on a dark hill at sunset. The sky is a vibrant orange and yellow, with the sun low on the horizon. The women are silhouetted against the bright light; one has her arms raised in a gesture of freedom or joy, and the other stands with one hand on her hip and the other raised. The overall mood is one of liberation and hope.

Be Set **FREE**

Find purposeful, unburdened freedom from all kinds of physical, emotional, circumstantial restrictions that seem to be beyond your control.

YOU, YOUR FAMILY AND FRIENDS ARE INVITED

to a lecture by Nicole Virgil C.S., a practitioner and healer of Christian Science, in which she will share the perspective that Christian Science opens up, which offers freedom from whatever in our lives seems painful, debilitating, or limiting. The ideas shared will enrich lives regardless of religious affiliation, and help you understand how you can apply the laws of God to your own benefit and that of others.
