

"ENRICH THE AFFECTIONS OF ALL MANKIND"

An Interactive Talk

Dr. Joan Bernard Bradley

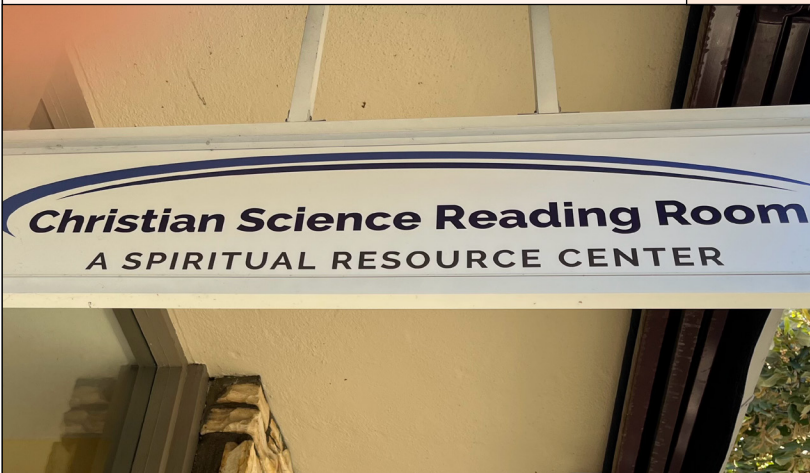

**SUNDAY
FEB 18, 2024
1-2:30PM**

*Hodges Hall
The Willows
23871 Willows Dr.
Laguna Hills, CA 92653*

Light refreshments provided

- Discover new views about Christian Science Reading Rooms and how they successfully interact with their communities and use social media (see images below)
- Learn the history of Reading Rooms and the activities that the early workers used to attract the public

**Come and share your ideas for
interacting with your community**

Dr. Bradley has conducted workshops on church history and servant leadership in England, Canada, Kenya, and throughout the United States. She also teaches at Principia's Summer Session. You can find articles she has written on jsh.com.

When she was a new student of Christian Science, she loved using the resources of the Reading Room for deep study and her young son was quickly healed of asthma.
